

FISHING ACE'S WIN NUMBER 5

Commercial fishery ace Andy Findlay kept up his impressive run of form at Packington Somers by picking up his fifth win on the bounce.

The Preston Innovations-backed ace secured his latest victory after extracting 56lb 8oz from peg 29 on Gearys Pool at the Warwickshire complex.

It was far from hectic sport for Andy, though, with just nine fish falling to his pole and corn approach presented tight to the bushes, with the biggest specimen sending the scales around to 15lb 7oz.
